*A Supplement to American Recorder for the members of the American Recorder Society • May 1996*

## PLAY-THE-RECORDER MONTH ACTIVITIES INTRODUCE NEW AUDIENCES TO THE JOYS OF PLAYING RECORDER

Chapters from throughout the Continental U.S. A. and the Pacific sponsored innovative outreach activities during the fourth annual Play-the-Recorder Month in March. Here's a sampling:

- **Guam Recorder Consort** was heard March 7 on a KPRG broadcast in Guam and the Mariannas Islands (and because of arcing radio frequencies, in Siberia, and Antarctica). Co-host of the station's weekly "Airing the Arts" program (and Consort director) Cynthia B. Sajnovsky scheduled recorder music all during March in celebration. Other members of the Consort are Susan Ham, Sally Reidy, and Susan Salas.

- **Kalamazoo Recorder Players (MI)** celebrated P-t-RM along with Music in Our Schools Month by going back to sixth grade. A recorder quartet consisting of Marie Blankenship, Carolina Carpenter, Julianne Kelly and Paula Walker presented four performances to 200 sixth graders at Paw Paw Middle School.

- **Ithaca-Fingerlakes Chapter (NY)** hosted a workshop with Steve Rosenberg. The event also marked the return of chapter representative Marsha Evans, currently on leave from the chapter while attending the College of Charleston. Earlier in the month, eight adults and three children also made the 600-mile round trip to the 28th Annual Long Island Recorder Workshop.

- **Moss Bay Chapter (WA)** had to delay their 16th annual Spring Meet, usually held during P-t-RM, until

April due to church unavailability. The all-day event is attended by 25-30 players from the Puget Sound area and elsewhere who enjoy six hours of recorder playing under three different conductors.

- **Upper Valley Early Music Society (NH/VT)** did their share by offering three programs in a week: twin sisters Dot Swayze and Phoebe Sheres gave two school performances as "Duo Gemini," and two other groups played at two area malls on two Saturdays. (One enthusiastic mall listener picked up a brochure and later picked up the phone to call the ARS office and join!)

- **Worcester Hills Recorder Society (MA)** had 30 people participate in its inaugural event, its first annual workshop at which ARS president Gene Murrow was guest teacher as well as performer on recorder, concertina and percussion. Other chapter members joined him on the final "recorder sampler" concert, entitled "Revel in the Cheerful Spring."

- **Greater Cleveland Chapter (OH)** had 34 participants in its Recorder Marathon: 20 students and faculty from the Cleveland Music School Settlement, as well as the North Coast Renaissance Consort, Rosewood Consort of Akron, and the East-West Consort. Five members of the chapter also performed a "thank-you" concert for the patrons of the Beachwood Library, where monthly meetings are held free of charge.

- **Atlanta Chapter (GA)** performed a spring concert at Atlanta's High Museum of Art. Over 200 listeners were entertained by a selection of mostly Renaissance fare with a springtime theme. Hampton Court Minstralcye and Sforzandi, two local ensembles, also presented short programs of Renaissance and contemporary chamber music. Since the month-long observance was expanded from its original 1992 Play-the-Recorder Day, many ARS members have organized events. Begin to plan now for March 1997. Reports on this year's activities will continue to be shared in future *Newsletters*.

### HIGHLAND PARK WINS CHAPTER GRANT; ITS MUSIC DIRECTOR RECEIVES DEMARSH

The ARS chapter committee is pleased to announce the awarding of its second 1995-96 grant, following receipt of supporting information. Committee chair Jack Anderson reports that the recipient is the **Highland Park (NJ) Recorder Society**.

In addition to the grant, Highland Park music director **Robert Butts** received the DeMarsh Award to support his research into, and composition of a madrigal for recorders and strings, slated to premiere on the chamber orchestra performance supported by the chapter grant. The DeMarsh Fund, set up by the friends of the late Margaret S. DeMarsh, is used to support scholarships to workshops as well as grants for activities that add to the current understanding of the recorder and its music. Applications for this award are accepted at any time, but should be submitted at least two months before funding is needed.

The next chapter grant deadline is **May 15** for innovative projects set to occur during fall 1996. Please see your chapter representative or call the ARS office for an application.

**PLEASE NOTE:  
DEADLINE IS JUNE 15  
FOR THE ARS BOARD OF  
DIRECTORS ELECTION.**

## DIRECTOR'S CORNER

"The end is near." Or maybe it's really the beginning, if we understood the idea behind Stanley Kubrick's inner-outer space quest in "2001." We stand, recorders in hand, near the end of a century. Of course, during the rich history of the recorder, others have stood at similar moments in millenia past.

And even though intellectually we know that 2001 begins the next millenium, we still must heed the approach of the year 2000 as a milestone of its own.

The enclosed ballot contains names of individuals who will serve as your governing body until at least 2000. Those whom you elect now will shape the activities, priorities and direction of the ARS into the 21st century. The changes suggested to the By-Laws were crafted to allow flexibility well beyond that.

Please make your voice one of many we hear as we open each envelope and record your choices. This is your opportunity to make our election process reflect our membership.

Then relax, have a nice summer, and come back ready to play through the rest of a century.

—Gail Nickless

## BERKELEY UPDATE

Many talents are still needed to coordinate and work on the various ARS events to be held during the Berkeley Festival. Volunteers are needed to:

- answer questions in the ARS booth (10 minutes to two hours appreciated)
- serve as host for an event or session, including: distributing programs or handouts; changing stage set-up (especially during the Recorder Relay); clearing the space after the event (if you have a van or wagon for harpsichord moving is a definite plus, but not a requirement),
- miscellaneous errands from making photocopies to taking ARS brochures to remote events,
- reporting on various events for AR.

This is an excellent way to get to know fellow recorder players while working with them, and is much appreciated by the ARS. If you plan to attend the Berkeley Festival and are willing to pitch in, please call the ARS office.

**NOTE: Anyone wanting to attend the chapter leader lunch (see page 5 of AR) should RSVP and send the \$5 by May 24.**

## BOARD SEEKS HOSTS FOR FUTURE MEETINGS

As a means for getting feedback directly from members, several years ago the ARS Board began to meet at various locations on the continent. If your chapter is interested in hosting either of the 1997 Board meetings, tentatively set for Jan. 31-Feb. 2 and in late September (date TBA), please contact the ARS office.

Typically the Board holds meetings from Friday morning through Sunday noon, with the ARS Annual Meeting and a full Board meeting filling both Friday and Saturday evenings. The local chapter arranges meeting locations and housing for a dozen Board members and staff, provides local transportation, and holds a potluck supper/playing session that usually precedes the Annual Meeting.

In recent years, chapters have hosted ARS Board meetings in Chicago, Princeton, Seattle, Baltimore, Toronto and Denver, with the next meeting set for Dallas.

## CARRY ON, ARS

Just in time for summer: official ARS tote bags are available now from the ARS office for \$10 including postage. The design is printed in white ink on a maroon 12 oz. heavy cotton canvas tote, 14" x 10-1/2" in size.

Whether you plan to travel soon, or just want some place to stash your equipment before you dash to playing sessions, your ARS tote bag expands to a generous five inches deep—plenty of room for books, music and (of course!) recorders.
